Revised Date

Deaf Child Area Signs

Policy authored by Traffic and Safety Division

To maintain uniformity in the creation and placement of "Deaf Child Area" signs, the following conditions must be met by the requesting party:

1. The requesting party must submit verification from a treating physician that a hearing impaired child lives at the residence.
2. The requesting party must submit a written renewal before December 1st of each successive year until the child reaches a maximum age of 12 years old.
