

## KENT COUNTY ROAD COMMISSION

### POLICY

No.  
401

Effective Date  
06/15/00

Revised Date

### **Right-of-Way Regulations for Encroachments and Obstructions**

Policy authored by Traffic and Safety Division

The Board of Kent County Road Commissioners has developed this policy to provide a uniform procedure to define and effect the removal of encroachments and obstructions from County Highways. The Board of County Road Commissioners is given authority to administer this policy by 1925 Public No. 368 as amended. MCLA 247.171.

The purpose of this policy is to insure the safety of the motoring public, improve the aesthetics of the highway, and eliminate interference with public and private utilities lawfully within the right-of-way.
