**EXTENDED TRANSPORTATION PERMIT ON COUNTY ROADS**

Applicant \_\_\_\_\_ Date \_\_\_\_\_, 20 \_\_\_\_\_

Permission is requested to transport the following oversize and/or overweight vehicle or combination of vehicles with the listed maximum axle load in accordance with the following conditions and restrictions. Duration of the movements to be from

\_\_\_\_\_ 20 \_\_\_\_\_ to \_\_\_\_\_ 20 \_\_\_\_\_. Location of the movements to be on any road or street in Kent County outside of Incorporated Cities or Villages and excluding State Trunk Lines.

**CONDITIONS AND RESTRICTIONS**

1. All movements to be on any road or street during daylight hours only. Permit is not valid on Saturdays, Sundays, nor during the period beginning at 12:00 noon on the day preceding and continuing until 12:00 noon of the day following the holidays here listed: New Years Day, Memorial Day, Independence Day, Labor Day, Veteran's Day, Thanksgiving Day and the day after, Christmas Eve Day, Christmas Day. When the holiday occurs on a Friday or Monday, permit will not be valid for the period beginning the noon before the three-day weekend or until the noon following the three-day weekend.
2. The movement shall not impede other traffic and at no time shall other traffic be detained unnecessarily from use of the highway. The driver is to pull off the highway to allow traffic to pass whenever excessive congestion develops.
3. Applicant shall be responsible for any damage caused to or along the highway, and shall save harmless and indemnify the Kent County Road Commission from all suits, claims, damages, and proceedings of every kind arising out of the use of the highway by the movement.
4. The speed of the vehicle and load shall not exceed 30 miles per hour. Vehicle shall not be loaded or unloaded within the shoulder lines of any road under jurisdiction of the Kent County Road Commission. Vehicles and loads shall not be left on the highway day or night.
5. Applicant must furnish complete equipment information outlined on the back of this application.
6. The driver of the vehicle shall carry the permit in the vehicle to which it applies and shall have it available for inspection by any police officer or agent of the Kent County Road Commission.
7. The applicant shall submit a certificate of insurance showing that at least the following motor vehicle insurance coverage is in full force and effect on each vehicle while operating under this permit:

|                           |               |           |
|---------------------------|---------------|-----------|
| Bodily injury liability   | each person   | \$100,000 |
| Bodily injury liability   | each accident | 300,000   |
| Property damage liability | each accident | 50,000    |
8. Permit is automatically invalidated by the violation of any of the conditions or restrictions specified herein or by false information given on the application, and this permit is revocable at once at the will of the Kent County Road Commission.
9. Permit is not valid for periods extending beyond expiration date of vehicle registration or motor vehicle insurance, whichever ever occurs first.
10. Permit will be issued only for vehicles owned or leased and licensed by applicant.
11. Permit will not be issued for oversize or overweight vehicles or loads which can be readily dismantled, reduced or otherwise rearranged to come within the legal limits or which exceed 12 feet in width, 14 feet in height, 45 feet in length for straight trucks, 70 feet in length for combinations, or which exceed the statutory gross axle loading by 25%, or which exceed other statutory restrictions, except the following will be allowed:
  - a. Road construction equipment, 12 feet, 6 inches in width, 14 feet in height, and 70 feet in length.
  - b. Mobile homes, 12 feet in actual body width and fixtures not to exceed 3 inches on each side, 14 feet, in height, 70 feet in body length of the mobile home and 85 feet over-all length with towing vehicle.
12. Permit is not valid on highways or structures which are posted for lighter than normal loadings if the vehicle exceeds loadings as posted. Permit is not valid for overweight when restricted loadings are in effect.
13. Loads shall be arranged to effect minimum width. Crosswise loading is not permitted.
14. The boom on cranes or draglines is to be securely fastened to the frame of the truck and parallel to the highway while in transit. The ball or bucket is to be removed from the boom.
15. All vehicles and loads shall be properly and sufficiently flagged. Such flags must be red in color, clean, and at least 16 inches square.
16. The Road Commission may suspend an extended transportation permit, either in its entirety or in respect to certain of its provisions, due to seasonal or other special conditions.
17. If this equipment is to be moved on any road other than specified in this Permit, permission must be obtained from the appropriate authority.
18. Permit is issued only for the specific vehicles described on the back of this application to move the specific equipment also described in this application. No other vehicle or parts of vehicle may be used and no other equipment may be transported.
19. Permits valid only if favorable driving conditions prevail.
