**Deaf Child Area Signs**

Policy authored by Traffic and Safety Division

To maintain uniformity in the creation and placement of “Deaf Child Area” signs, the following conditions must be met by the requesting party:

1. The requesting party must submit verification from a treating physician that a hearing impaired child lives at the residence.
2. The requesting party must submit a written renewal before December 1<sup>st</sup> of each successive year until the child reaches a maximum age of 12 years old.
